As a delayed response to your request, attached you will find:

--A 20 November 1981 memo provided eventually to then DDCI Inman with recommendations regarding centralizing CIA television production activities. The comments on pages 3 and 4 are Admiral Inman's.

--A copy of then Executive Director McMahon's 20 January 1982 decision on how to resolve this matter, and subsequent comments from the DDA and DDI.

--A copy of the Headquarters Notice that I believe is still operational.

This is all I have in our files on this topic. Since [REDACTED] 25X1 was involved in doing the staff work at the time, you might check with him if you need anything more.
